### **BOARD MOTION OF JULY 21, 2009, AGENDA ITEM 65-A 60TH STREET WEST AT AVENUE M-8**

On July 21, 2009, your Board approved a motion directing us to install a 4-way stop at the intersection of 60th Street West at Avenue M-8 in the Quartz Hill area. Your action also required us to report to your Board with the status every 30 days until such time as the new signs are installed.

This intersection is shared jurisdictionally between the City of Palmdale (City) and the County. The approaches where the additional stop signs are requested are wholly within the City. Section 21105 of the California Vehicle Code states that "No rule or regulation adopted under Sections 21100 or 21101 shall be effective as to boundary line streets where portions thereof are within different jurisdictions unless all authorities having jurisdiction of such portions of the street concerned have approved the same."

Since November 18, 2009, we have been in regular contact with the City and they have maintained their position as stated in their October 22, 2009, report that the intersection does not meet the City of Palmdale's guidelines for an all-way stop. Therefore, we will not pursue the all-way stop installation at the intersection of 60th Street West and Avenue M-8, and unless directed otherwise, we will cease reporting to your Board on this Board motion.

If you have any questions, please call me or your staff may call Patrick V. DeChellis, Deputy Director, at (626) 458-4004.
